

# ConVivial Gaming Schedule - Sunday January 14th, 2024

| Time   | Game                               | Description  | Game Master     | Table # |
|--------|------------------------------------|--|-----------------|---------|
| Sunday | The Beast Under the Ice            | Call of Cthulhu 7e The Year 1951, An Alaska research base has gone dark. A team of scientists, workers , & government agents have been sent out to investigate the abandoned research station.   | Sam Wade        | 3       |
| Sunday | A Print and Play Sampler           | Play some quick print and play games such as Oops, All Draculas, Canals, Mammoth, and Mini Town. If you have a set of dice or a few d6s, bring them along.   | Deb Fuller      | 7       |
| Sunday | Call of Cthulhu- Wrath of Katahdin | <p>Modern setting (1985). The Opee Indian tribe is in trouble as an illness has befallen them. The loggers in the forest have been complaining of how they have almost come to blows with each other.</p> <p>Now there are missing lumberjacks and the Opee are being blamed. They claim innocence and the oldest member of the tribe insists that the nature spirits took them.</p> <p>Your investigators must defuse the situation and find out what is really going on.</p> <p>This is a 4 hour percentage based RPG where skills and wits are just as important as physical stats. Work together to bring two opposing sides to the truth behind the mystery. Premade characters will be given but they will be player customized. Up to 6 players per session please.</p> | Thomas Melanson | 4       |
